

Hakone is one of the post-towns on the road from Kyoto to Edo, which has healed many travellers with the fine hot spring.

The Beautiful scenery of the four seasons and majestic nature such as hakone caldera has been attracting many people for a long time.

Manatei Hakone was open in 2012 with the concept "Art & Music".

Japanese paintings such as bijin-ga and various types of antiquities are displayed in the rooms and hallways.

Enjoy modern Japanese kaiseki cuisine and self-flowing source hot spring.
